

**"Focused on performance, growing the RC community, and
delivering meaningful value to our corporate partners."**

Hudson Stewart - *Building the Next Generation of RC.*

Hudson Stewart is a 15-year-old RC racer with a fast-rising reputation for skill, dedication, and passion. What began as a hobby has grown into a competitive pursuit, where Hudson not only races but also does 100% of the building, maintenance, and setup of every car he drives.

Performance Highlights:

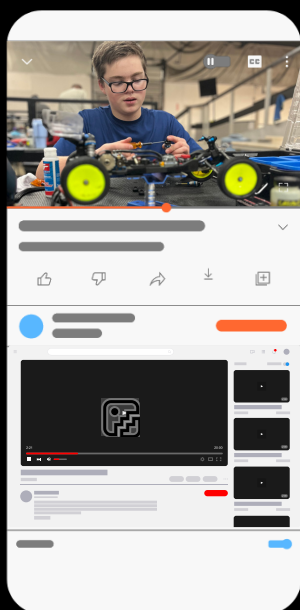

- **120+ races in the past year** across off-road and dirt oval
- **57 wins** and multiple podium finishes
- **5 Track Points Championships** (4 Off-Road, 1 Oval at Intermountain Raceway)
- **Podium** – ROAR Region 5 Dirt Off-Road Championships
- **Podium** – 36th Annual April Fools Classic (Off Road)
- **2nd Place + TQ** – Wyoming State Championships (Late Model & Street Stock)
- **Podium** – Idaho State Championships (Sprint Car & Street Stock)

Growing the Sport: *Helping New Racers Find Their Start*

Hudson is committed to more than racing. He often helps newcomers with setups, answers questions, and shares knowledge to make RC racing more approachable.

In 2026, Hudson will launch a **YouTube series** designed to lower barriers to entry and inspire new racers. Content will cover setups, practice routines, race prep, and lessons he's learned.

His goal: to make sure others feel welcome and inspired to race.

A Sample of 2026 YouTube Video Topics:
